

ABOUT THE WESTLEIGH WATERBOARD ALLIANCE (WWBA)

WHO IS THE WWBA?

The Westleigh Waterboard Alliance (WWBA) is a formally registered organisation formed by local residents and members from local community groups & sporting organisations. We have come together as a collective voice to work cooperatively with government, sporting bodies & clubs and potential sponsors for the benefit of community interests. Lifetime membership is \$10 and is open to anyone who would like to contribute.

WHY WAS THE WWBA FORMED?

The WWBA was formed to ensure the best utilisation in the development of the former Sydney Water Board land. Late 2015, this large 21-hectare site was purchased by Hornsby Council to meet the escalating shortfall of quality public sporting facilities in the Hornsby Shire and across Sydney's upper northern region. Our goal is to successfully meet the community's growing and diverse sporting & recreational needs and to ensure the best possible outcomes.

WHAT HAVE THE WWBA BEEN DOING SO FAR?

The WWBA has been raising awareness, gathering information and meeting with Council. We have collated together data to gauge needs and establish demand to include in submissions. Throughout this process we have involved local sporting clubs (e.g. football, cricket, cycling, baseball, athletics, basketball, netball, softball, gymnastics), local & state government councillors and parliamentarians, as well as local schools, organisations and residents.
